

Rag Knitted Change Purse

Created by Clella Gustin

Time to do 1 hour

Level intermediate

Instructions

1. Cut a square piece about 7X9 for the lining of the purse.
2. Using the rotary cutter and the mat cutter, cut the rest of the yard of fabric INTO 1 1/4" stripes on the bias. (click on bottom picture for a detailed view) This gives the fabric have a little stretch.
3. Sew the stripes together on the sewing machine. (click on bottom picture for a detailed view)
4. Try to keep the fabric folded so that the right side is out it will make your project much brighter to have the right side out. You may want to iron on fold.
5. Wrap the fabric stripe loosely around the pegs. I used 16 pegs and knit about 26 rows. When I fold the knit work in half it measures 4" X 7" the finished size of the purse.
6. Using the square of fabric fold it in the middle then iron about 3/4 of an inch. On the long sides and put the zipper in.
7. Sew the back side of the zipper to the right side of the fabric, and sew up the side seams. (click on bottom picture for a detailed view)
8. Hand stitch the sides of the knitted square and hand stitch the around the zipper.

What you will need

Provo Craft Supplies

- A round loom and pick.
- Needle and thread to sew with.
- Knitwit Loom.

Other Supplies

One yard of cotton fabric.
A rotary cutter and mat
A ruler.
A 7? zipper.
